

REDUCING FACTORS FOR LINE OF DUTY DEATH

TOPICS:

- Why do we do this?
- History and trends of line of duty death
- Major contributors
- Community perceptions
- Our perceptions
- Extremist groups
- Mindset and flexibility
- Physical fitness
- Stress and job related suicide
- Nutrition
- Training
- Down time
- Faith

OBJECTIVES:

- Study and understand our own reasons for our careers
- Understand factors leading to on duty death in the past
- Recognize those factors in our daily lives so we can control them
- Identify behaviors specific to extremist groups and their direct tie to line of duty death
- Identify our own struggles with physical and mental health, and nutrition and learn to manage those areas for success.
